Declaration of Use for Generative AI in Assessments

I hereby declare that in the planning, drafting, and/or revision of the work attached, I have made use of Generative AI tools in the following ways:

Acknowledgement of Generative AI Tools Used

- [x] For brainstorming,
- [ ] To find sources.
- [x] To plan the structure/outline of the work.
- [x] To generate programming code.
- [ ] To generate translations of primary/secondary source content for consultation.
- [ ] To generate translations included in the submitted work, whether or not manually revised.
- [ ] To improve the language of my own phrases, sentences, and/or paragraphs.
- [ ] To generate the text of (part of) the submitted work.

Acknowledgement of Assessment Submission

I, **Andres Hung and Jennessa Sierra**, hereby confirm that on **October 27, 2026**:

1. I am the author of this submitted document.
2. I am responsible for any AI-generated errors or fabrications.
3. I understand the limitations and risks of using AI.
4. I used AI tools ethically, protecting all sensitive information.
5. I ensure any AI-assisted work remains originally my own.
6. I have appropriately acknowledged all use of generative AI.
7. Undeclared AI use constitutes academic dishonesty, which I acknowledge.
8. I am accountable for any resulting academic misconduct.

Please add more rows to the table as needed so that each tool used in the creation of your assessment submission is included in the declaration.

Generative AI Tool Used (Please List Each Separately)	Purpose of Use	Briefly Explain the Extent of Use
Google Gemini	Implementing frontend changes, convenience scripts, and general troubleshooting and planning	Used for making changes to the frontend to match our current styling, general questions about how to approach some of the requirements, and generating the Python script for calculating detection delay from the existing logs.
